The sacrifice that was offered so long ago is still good today.
His blood was shed to wash our sins away.
Why did you choose a life of sin when you knew what to do?
You couldn't use the excuse, Lord, I never heard of You.
He has been waiting a long time to hear from you.
Just let Him do for you what He wants to do.
He will give you a life beyond your wildest dream.
The two of you would sure make a team.
It will be such a change; even those you hate you can love.
It was given from God above.
Your life He will completely rearrange.
Even your old friends will quickly see the change.
Today He would like to turn your life around.
Because by sin you are bound.
A much better life He wants to give.
Only then can you truly say I live.
The sacrifice that was offered long ago.
His love and mercy to you He wants to show.
You can be set free from sin.
When you ask Jesus to come and dwell within.
Until I asked Jesus to forgive me, all was not well.
His word told me I was on my way to hell.
He was patient just waiting on me.
He must see something in me I was unable to see.
Now He is waiting patiently for you to say, Won't You change my life? I am tired of living this way.
Oh how quickly He will reply.
The reason He came to this earth was to die.
