The Book of Life is the name of this book.
Will your name be there when God takes a look? 1 repented and my sins, from me, God took.
That's how 1 got my name in the book.
His Son, to the earth, was sent. He preached, you must repent.
The decision is yours, if you want your name in the book.
You will be glad if God sees it when He takes a look.
Jesus said, "I am the Way."
So invite Him into your heart today.
That's the way to get your name added in the book.
Will God see it when it comes time to take a look?
Sin in Heaven can never be.
That is why 1 ask Him to forgive me. 1 know my name is written in the book
And God will see it when it comes time to take a look.
Will yours be there when God calls your name?
There will be no one else you can blame.
God is waiting to add your name in the book.
Will He find it when it comes time to take a look?
Don't put off coming to Christ another day.
You will be glad you found this glorious way!
The angels rejoice when your name is added in the book.
You will also rejoice when God takes a look.
On Judgment Day, will your name be in the book?
It is for certain God will look.
It will be if sin you forsook.
God wants it there when it comes time to take a look
