Lord why do You no longer care?
Why my burdens alone must I bear?
My life with You I always planned to share.
Now, You just don't care.
Lord we used to have so many good talks.
And together we took our walks.
The path I was on seemed so clear.
Now, You just don't care.
My life used to be filled with joy and peace.
Lord what happened between us that caused it to cease?
You used to hold me dear. Now, You just don't care.
There was a time I know You loved me.
Now my troubles You no longer see.
When I call You do not hear. Because, You just don't care.
Our relationship used to be so good.
I thought coming to You I always could.
You used to be so near.
Now, You just don't care.
Must I cry out to You night and day?
While You turn Your head and look the other way?
Why has my life turned from joy to fear?
Because, You just don't care.
If I didn't care I would have stayed with the Father.
If I didn't care, to die for you why would I even bother? Alone you would be to face your troubles and your fear.
You have never been alone, and yes, I do care.
