

My Dilemma

Lord, You see what a dilemma I am in, Nothing like this happened, even when I was in sin.
I hope this doesn't last too long, Or I believe my mind will be gone.
I have never faced anything like this before.
What will I do if this continues, if there is even more?
Lord, I need You to help me out of this mess.
If anything in my life grieves You, Lord, I confess.
Maybe someone could come and tell me what to do, Or Lord, is there someone with a message
from You?
I don't know how much more of this I can take.
But this I know; You I will never forsake.
It seems every day that goes by,
Things just get worse, and I don't even know why.
Lord, through all this I can't seem to do anything but cry.
But to forsake You ... never, I would rather die!
Besides there is no one else I can turn to.
I have always put my trust in You.
I want Your will, so I will wait.
Long ago into Your hands I committed my fate.
Lord, at Your own timing I will be waiting for Your reply.
You always know what is best, even if I ask You why.
In the meantime, I will seek You and pray.
I know the answer will come; maybe now it is on the way.
I see everything you are going through, Anything you go through, I will be with you.
Stay on the course; one day from this you will be free.
All because you kept your trust in Me.
